

# Join Us for a Journey Through Black History Month: A Walking Tour of North Kensington W10!

Step into history with us this Black History Month as we unveil North Kensington's Afrakan [African Caribbean & Caribbean] Heritage. We will embark on a captivating 2-hour walking tour through our vibrant streets, including Ladbroke Grove, Portobello Road, Golborne Road and Powis Square. Discover the rich heritage and contributions of the Afrakan people who have shaped the area into what it is today!

We will stop at several significant plaques installed by the Nubian Jak Community Trust, in collaboration with local residents and community organisations. Each plaque serves as a tribute to the remarkable individuals - both past and present - who have made an impact on our community and beyond.

**When:** Friday 11 & 18 October 2024

**Time:** 11am - 1pm

**Meeting Point:** Ladbroke Grove Tube Station [at the front, by the bike racks]

So join local historian Isis, bring your friends n family and lets honour and celebrate the vibrant history of the Afrakan community in North Kensington. Together, we'll walk, learn, and appreciate the significant contributions of these history-makers, creating a memorable experience that uplifts our community and fosters unity!

*\*Wear comfortable shoes and dress for the weather. We can't wait to see you there!\**
